WHO IS DR. PHIL II?

Leadership

A leader with over 20 years of experience working with youth nationally and internationally as an organizer and activist. His passion for youth lead to his role as a youth leader for over 20,000 youth from Western New York to New England training and empowering them in service to their communities. Through experience as a summer camp director he understands how to impact the young generation through education, arts, and fun. Dr. Phil II is experienced as a teacher, admissions counselor and instructor in public and private schools.

Author

He co-authored a book: Lessons for the Journey for young adults.

Projects

Purity Ball: Advocating Purity for Youth
McGuire Entertainment Group: Dr. Phil 2: Shaping Your New Start. The Anchored Voice: A Podcast Helping Men to Anchor Life. The MEGA Voice Live Podcast. Message Magazine contributor.

Shaping Your New Start

Dr. Phil II is passionate about unleashing the potential in every young person regardless of where they are starting from. He believes that every young person has the potential and power to be successful if given the tools and the chance.

His message for youth and youth leaders: No matter what you are up against, you can make it. Don't listen to anyone who tries to count you out. You can start from wherever you are. Dr. Phil II is ready to add value to shaping your new start today.
